

APOLLO ACCEPTED AS FIRST INTERNATIONAL MEMBER OF THE UK'S DEBT BUYERS AND SELLERS GROUP (DBSG).

IRVINE, Calif.--([BUSINESS WIRE](#))--Apollo Enterprise Solutions, Inc., the leading provider of web-based payment, debt collection and debt recovery technologies, today announced it had been accepted as the first international member of the UK's prestigious Debt Buyers and Sellers Group (DBSG), part of the Credit Services Association and 'Voice of the Debt Collection, Sale and Purchase Industry'. "Membership of the DBSG is a significant step for Apollo as the leading supplier of Web Enabled Payment, Collections and Recovery systems," stated Joseph S. Konowiecki, CEO. Konowiecki added that "being members of the DBSG will allow existing members access to our expertise and technologies and further cement our commitment to this exciting area of the financial services sector and the UK/EU market."

About Apollo

Apollo is the leading provider of enterprise-class, web-based solutions to major creditors for debtor self-payment and self-settlement. Its industry-leading **TrueCollect™** system allows major creditors to recover delinquent debts faster and more efficiently than any other solution on the market. **TrueCollect™** integrates a broad set of features and service functionality, including total compliance with Federal and State laws governing web collections, and significantly increased security measures designed to thwart the latest cyber threats facing the debt collection industry. Apollo's **TrueCollect™** technology is protected by 28 U.S. and International Patents Pending, and several more patents are being applied for in the U.S. and other countries.
